

Operation Seabee Christmas

August 29, 2008

Dear Family and Friends,

The holidays are steadily approaching; but rather than celebrate this special time at home, many Seabees from Ventura County will be deployed throughout the world. Not only do our Seabees serve this country by supporting the war efforts, they also play a large role in humanitarian aid projects such as building schools, hospitals and new water wells for those in need. These examples are only a small part of what Seabees do for us and others worldwide.

To assist these courageous men and women, many of whom have made multiple deployments overseas, Operation Seabee Christmas (OSC) was developed. It is our mission to provide a little piece of "home" to each of the deployed Seabees, as well as supporting their families remaining here in Ventura County, CA. To do this, we need considerable support from not only our local community, but extended family, friends, and businesses as well.

We are calling on you, to help support the sacrifices of these men and women. Specifically, we need monetary donations so that OSC can fulfill its role. We plan to put together individual gift packages for each Seabee and to send Christmas trees and packages with fun games, movies, etc. to each deployment site. Remember, OSC also strives to help support their families as well. In part, we hope to be able to provide a special gift for each child, whose parent will not be with them this holiday season.

Our ability to support these efforts is greatly enabled by the generosity of people like you. If you are able to help with this endeavor, please complete the Donation Form on the following page. Also, if you know of anyone else, or a business, that may be interested in helping to support OSC, we would greatly appreciate it if you would forward our information to them.

Thank you for your time and consideration. We look forward to hearing from you. If you have any questions, first visit our website at www.seabeechristmas.com or you may contact Rebecca Sibley, VP of Philanthropy at seabeechristmas@gmail.com. We realize that you have many philanthropic opportunities; we appreciate your choice to support the efforts of our service members.

Sincerely,

Rebecca Sibley
